

Dear STNC Board,

I hope and pray that this letter finds each and every one of you doing well. It is with a very sad and heavy heart that I write this letter of resignation from the Sunland-Tujunga Neighborhood Council as the Verdugo Hills Ministerial Association Group Representative.

My life situation has brought some very fast and unexpected changes and I am relocating to the Pacific Northwest to my hometown of Tacoma, Washington in several days to seek a new chapter of my life. I have thoroughly enjoyed my time serving the people of Sunland-Tujunga and know that the quality of the leadership of this board as well as the heart of our neighborhood will always be strong enough to endure any change or difficulty. I count myself as richly blessed to have been a part of the neighborhood council and also, this amazing neighborhood and will miss everything very greatly.

I know none of our toil for the welfare of others in Sunland-Tujunga will ever be in vain and I know great things are truly ahead for all of us. Though I will no longer be in the neighborhood, my heart will always beat strongly and passionately for Sunland-Tujunga and its amazing people.

Gratefully yours,

John Candler
