November 7, 2018

Dear Sunland Tujunga Neighborhood Council,

First, thank you for your tireless commitment to improving the Sunland Tujunga community, including the Pinewood Avenue Elementary School neighborhood. Our school serves over two hundred students and their families. Pinewood Early Education Center serves approximately 100 of the community's youngest scholars. As the new Principal of Pinewood Elementary School, I have witnessed the amazing generosity of individuals and community groups who give in order to help build the futures of our scholars here in Tujunga. I see hope and inspiration in the faces of all of our students each day as I greet them at the entrances, in the classrooms, and on the playground.

Our commitment as a staff at Pinewood Elementary is that we will strive for excellence on behalf of our students. Students at Pinewood Elementary deserve to learn and thrive in a school that is not only nurturing inside of the classroom, but also appealing outside of the school walls. As you may be well aware, illegal dumping has long been a problem on the west side of the Pinewood campus. Our custodial staff is diligent about removing furniture, small appliances, and various articles of trash that are routinely left out along Pinewood Avenue by community members. We want to turn the tide along Pinewood Avenue by beautifying this part of our special campus.

The proposed mural and planter will provide our students, families and community members with several positive outcomes. If provided with the financial support, we would be able to commence with the preparation of the wall surface prior to painting the mural. Students, families, and community members would take pride in contributing as volunteers in something positive that adds value to the neighborhood. Community members, students, and families would be able to commute to and from their homes, school, and work while appreciating the natural beauty of drought-tolerant plants, and the man-made beauty of a large-scale mural. The proposed mural will depict vignettes of the rich history that makes the Sunland-Tujunga neighborhoods and Pinewood Elementary so special.

I am seeking your financial support in the amount of \$5,000 in the form of a Neighborhood Purpose Grant, in order to commence with the wall-preparation work that is estimated to cost \$13,800. The partnership with the Sunland Tujunga Neighborhood Council, LAUSD Local District Northeast Superintendent Linda Del Cueto, LAUSD Boardmember Kelly Gonez (Dist. 6), the Theodore Payne Foundation, and the Kiwanis will help to ensure that our students realize that they belong to a community that works together to help them attain their hopes and dreams for the future.

As you are aware, the success of our students is the result of a partnership between the school, students, parents, and the community. We are proud to have you as part of the Pinewood team as we work together toward student success and achievement.

Thank you for your continued support of Pinewood Pandas!

Sincerely,

Dear Applicant:

Based on information you supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly supported organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling period begins and ends on the dates shown above.

Within 90 days after the end of your advance ruling period, you must send us the information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for future periods. Also, if we classify you as a private foundation, we will treat you as a private foundation from your beginning date for purposes of section 507(d) and 4940.

Grantors and contributors may rely on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and contributors may continue to rely on the advance determination until we make a final determination of your foundation status.

If we publish a notice in the Internal Revenue Bulletin stating that we

Letter 1045 (DO/CG)

ROTARY INTERNATIONAL DISTRICT 5280

will no longer treat you as a publicly supported organization, grantors and contributors may not rely on this determination after the date we publish the notice. In addition, if you lose your status as a publicly supported organization, and a grantor or contributor was responsible for, or was aware of, the act or failure to act, that resulted in your loss of such status, that person may not rely on this determination from the date of the act or failure to act. Also, if a grantor or contributor learned that we had given notice that you would be removed from classification as a publicly supported organization, then that person may not rely on this determination as of the date he or she acquired such knowledge.

If you change your sources of support, your purposes, character, or method of operation, please let us know so we can consider the effect of the change on your exempt status and foundation status. If you amend your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, let us know all changes in your name or address.

As of January 1, 1984, you are liable for social security taxes under the Federal Insurance Contributions Act on amounts of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the private foundation excise taxes under Chapter 42 of the Internal Revenue Code. However, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Internal Revenue Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Donors may deduct contributions to you only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, gives guidelines regarding when taxpayers may deduct payments for admission to, or other participation in, fundraising activities for charity.

You are not required to file Form 990, Return of Organization Exempt From Income Tax, if your gross receipts each year are normally \$25,000 or less. If you receive a Form 990 package in the mail, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return. Because you will be treated as a public charity for return filing purposes during your entire advance ruling period, you should file Form 990 for each year in your advance ruling period that you exceed the \$25,000 filing threshold even if your sources of support do not satisfy the public support test specified in the heading of this letter.

Letter 1045 (DO/CG)

ROTARY INTERNATIONAL DISTRICT 5280

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete. So, please be sure your return is complete before you file it.

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You are required to make your annual return available for public inspection for three years after the return is due. You are also required to make available a copy of your exemption application, any supporting documents, and this exemption letter. Failure to make these documents available for public inspection may subject you to a penalty of \$20 per day for each day there is a failure to comply (up to a maximum of \$10,000 in the case of an annual return).

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, we will assign a number to you and advise you of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

This determination is based on evidence that your funds are dedicated to the purposes listed in section 501(c)(3) of the Code. To assure your continued exemption, you should keep records to show that funds are spent only for those purposes. If you distribute funds to other organizations, your records should show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), you must have evidence that the funds will remain dedicated to the required purposes and that the recipient will use the funds for those purposes.

If you distribute funds to individuals, you should keep case histories showing the recipients' names, addresses, purposes of awards, manner of selection, and relationship (if any) to members, officers, trustees or donors of funds to you, so that you can substantiate upon request by the Internal Revenue Service any and all distributions you made to individuals. (Revenue Ruling 56-304, C.B. 1956-2, page 306.)

Letter 1045 (DO/CG)

ROTARY INTERNATIONAL DISTRICT 5280

If we said in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help us resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

We have sent a copy of this letter to your representative as indicated in your power of attorney.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

RE: ZA-1993-197-CUZ-PA1

ENV-2018-2883-CE

PLAN APPROVAL to allow private college and gatekeepers residence with 55 parking spaces on RE15 and RE40 zone

7740-70 W. McGroarty Street, Tujunga, CA 91042

The Sunland-Tujunga Neighborhood Council Land Use Committee met with representatives of Remnant University on August 20, 2018, September 17, 2018 and October 15, 2018. Neighbors adjacent to the site also in attendance. Following are our comments regarding this application for a Plan Approval that we understand will modify the original conditions for this Conditional Use.

The history of this site is that of the original Sun Air Home for Asthmatic Children. In recent times the site has been a small elementary school but most recently not in operation. Rather, the site has been left idle.

Remnant University now occupies the site and has made necessary repairs. They intend to increase the use for college/university students as identified in their application. Remnant states that it is the City who has advised that only a modification to their existing Conditional Use is required.

During the Land Use Committee meetings of the Sunland-Tujunga Neighborhood Council neighbors in the immediate and abutting area to the site are concerned with the significant change from a smaller school that closes by 5 p.m. to a school that will now be open til 9 or 10 p.m. It is noted that the applicant, after hearing the concerns of the neighbors, voluntarily will change the closing time for all activities, inside and outside to close no later than 9pm. This site backs up to the existing mountains and wildlife. Remnant has indicated they have no plans or intentions to expand into the hillsides. Remnant does intend at some point to include a dormitory in the smaller building for "some of" the 50-100 students to use in the future.

The existing Conditional Use covers four lots and one lot has been changed by the previous ownership into a single family residence. The address of 7740 McGroarty is also a separate single family residence not part of this site or ownership. That address needs to be removed from this application.

Due to the surrounding neighbor concerns, the neighbors took to direct outreach with their neighbors. This is a unique site nestled in our mountains surrounded by single family homes. Another school exists further west on McGroarty with a Conditional Use for elementary school age children with low impact on the surrounding neighbors due to the distance from other neighbors. This is not the case with this site. However, if the City chooses to approve and update conditions for this university use, we recommend that the conditions be included directly onto the plans and that they are enforceable conditions by the Department of Building & Safety. The use of the site will significantly change as to

number and age of students, cars, hours of operation, lighting and use compatible with the surrounding single family residential neighborhood.

As part of this letter, enclosed are letters received from the surrounding neighbors regarding the proposal. Also included is Remnant University's letter in response to those concerns. At the October 15, 2018 LUC meeting there were neighbors present both in favor and not in favor of Remnant's proposal and we are including those letters as well. Copies may also have been sent directly to City Planning.

The LUC requests clarification from the City as to how only an adjustment to the existing Conditional Use can be reviewed and approved based on the change in hours, a university in lieu of elementary education use and the new residence already built as part of the four lot Conditional Use? The City may want to consider requesting the applicant provide a Parking Demand study. The City should also include the following:

- All class activities inside and outside allowed only until 9pm seven days a week.
- Basketball playing or any other outside activity allowed only until 5pm Sunday thru Thursday and 7pm Friday and Saturday.
- Lighting should be directed to only the property and not onto any surrounding residential properties.
- Exit from the driveway should include a "No Right Turn" sign to avoid traffic on the smaller curvy part of McGroarty Street.

Thank you for the opportunity to submit these comments. If you have any questions, please contact us by email at secretary@stnc.org or phone.
