**DRAFT FOR STNC BOARD APPROVAL**

Dear Elks Lodge:

It has come to our attention that the Sunland / Tujunga Elks Lodge No. 2098 is at risk of closing by your authority. We strongly oppose this action and trust you will give this your full consideration to keep the Elks Lodge in Tujunga open.

The Sunland/Tujunga Elks Lodge is a long-standing organization and where the meetings of this Neighborhood Council began. The members are gracious and part of the Sunland-Tujunga community.

Please let us know anything we can do to garner support for the Lodge to remain open.

Thank you,

Lydia Grant  
President  
Sunland-Tujunga Neighborhood Council
