To report a Parking Violation

818-374-4823

Press #1 for English

then wait for all the extensions, and use #2

reporting a vehicle parked over the hour limit as noted on the signs.

Give the block #, you might have to give an exact address, cross street and type, and color, maybe even the lic #. For big trucks only have to give the block#, cross street and color.

Also ask how you can get a regular car to monitor the block.

Many times there are calls waiting, as many as 10, then hang up and try later, for that many it could be 1hr. but if you are working on your computer maybe ok to be on hold. 5 calls can be around 10-20 minutes sometimes.

Example: called in a truck for the first time they gave an option of a call back. This is something new.
