SB79

We are kicking off this week of activities first with our video from our Livable California presentation and accompanying powerpoint to hopefully give you a better understanding of SB 79 impacts and give you material you can use for your own community outreach.

Our campaign, to our Assemblymembers, will begin tomorrow or Wednesday depending on when the bill gets assigned to policy committees. Once committee assignments are made, we will start by posting our letters to the Legislative Portal. We will walk you through this process step by step. We want a big presence on this portal.
